

Why Us

At Pikes Peak Pride, we believe in building something bigger than a festival. We are creating a year-round movement of visibility, advocacy, and celebration for the LGBTQIA+ community across the Pikes Peak region. When you join our team, you become part of a family of volunteers and leaders who show up with passion, creativity, and heart.

Every role within Pikes Peak Pride directly impacts the experience of thousands of attendees, vendors, performers, youth, and community members. Whether you are helping shape the festival, coordinating logistics, telling our story, or supporting behind the scenes, your work becomes part of a legacy that uplifts and empowers our entire community.

We are collaborative. We are inclusive. We are driven by purpose. And we are always looking for people who want to make a difference.

Below you'll find the open roles that help bring Pride to life each year. If you care deeply about community, love working with a dedicated team of volunteers, and want to be part of something meaningful in Colorado Springs, we would love to have you join us.

Together, we create Pride. Together, we make history.
