

General

Hi everyone,

As we begin planning for Pikes Peak Pride 2026, we want to extend an invitation to our incredible community of vendors, partners, supporters, and past participants. Each year, Pikes Peak Pride continues to grow, and that growth is only possible because of people like you who show up, celebrate, and give back to our LGBTQIA+ community.

Sponsorship is one of the most impactful ways to support the festival and parade, helping us expand programming, keep the event accessible, and create a safe, joyful, and inclusive weekend for everyone. Our festival continues to grow, our community's needs continue to rise, and the importance of visible, meaningful support has never been greater.

If you or your organization/business are interested in learning more about our sponsorship tiers, benefits, and opportunities, please reply to this email or reach out directly to **[insert contact email]**. Our team will happily walk you through options and answer any questions you may have.

Thank you for being a part of the Pikes Peak Pride family and for helping us continue to uplift our community year after year. We appreciate your support and look forward to celebrating with you again in 2026!

With Pride,
Pikes Peak Pride Team

Returning Sponsors

Hi [Name/Team],

We hope you're doing well. As a returning sponsor of Pikes Peak Pride, you've been an essential part of making our festival and parade possible. Your past partnership has helped us create an affirming, joyful, and safe celebration for thousands across the Pikes Peak region and we cannot thank you enough for the impact you've already made.

As we prepare for Pikes Peak Pride 2026, we want to personally invite you to return as a sponsor. This year, more than ever, we need the strength of partners like you. Our festival continues to grow, our community's needs continue to rise, and the importance of visible, meaningful support has never been greater. Your continued sponsorship ensures we can expand programming, increase accessibility, and create an unforgettable Pride weekend for everyone who depends on this event as a space of belonging.

We would love to reconnect and share this year's sponsorship tiers, renewed benefits, and opportunities for even greater visibility. If you're ready to join us again, or want to explore what's new please reply to this email or reach out directly to [insert contact email].

Thank you again for being part of our Pride family. Your ongoing support truly makes a difference, and we hope to welcome you back as a sponsor for 2026.

With deep appreciation and Pride,
Pikes Peak Pride Team
